CMAJ is indexed according to the medical subject headings established by the National Library of Medicine, US National Institutes of Health.

Each article title is followed by a code that designates the article's category. The categories and accompanying codes are listed below.

Le JAMC est indexé par vedette-matière selon la nomenclature de la National Library of Medicine des National Institutes of Health américains.

Chaque titre d'article est suivi d'un code qui indique dans quelle catégorie l'article appartient. Les catégories et leurs codes sont les suivantes.

- A -

Abdominal aortic aneurysm See **Aortic aneurysm, abdominal**
Abnormalities

Medical genetics: 2. The diagnostic approach to the child with dysmorphic signs (Hunter) (Rev) 367

Aborigines

Off-reserve Aboriginal people face daunting health problems: StatsCan (Sibbald) (N) 912
Predictors of clustering of tuberculosis in Greater Vancouver: a molecular epidemiologic study (Hernández-Garduño and others) (Res) 349
Ron Noganosh: sculpting politics and passion (Walker) (LA) 903

Abortion, legal

NB, Morgentaler head to court over abortion payments (Thorne) (N) 1277

Abscess

Early clinical course and long-term outcome of patients with infective endocarditis complicated by perivalvular abscess (Chan) (Res) 19
Infective endocarditis and perivalvular abscess: a dangerous duo (Shafraan) (Comm) 38

Academies and institutes

Doctor shortage in Quebec a real numbers game (Pinker) (N) 288
"Go south, young MD" message being heard again (Buske) (N) 682
Quelling research excellence in residency programs (Pillai) (L) 236

Accidental falls

2002 clinical practice guidelines for the diagnosis and management of osteoporosis in Canada (Brown and others) (R) Supplement to issue 10
Community-based exercise program reduces risk factors for falls in 65- to 75-year-old women with osteoporosis: randomized controlled trial (Carter and others) (Res) 997
Preventing fractures by preventing falls in older women (Campbell) (Comm) 1005

Accidents, traffic

Automobile restraints for children: a review for clinicians (Howard) (Rev) 769
Jury calls for cellphone ban for drivers (Sibbald) (N) 913
Restricted driver licensing for medical impairments: Does it work? (Marshall and others) (Res) 747

Accountability, social See **Social responsibility**

Acetaminophen

Brief safety updates: acetaminophen, ASA and kava (Wooltorton) (Pra) 1034

Acetylsalicylic acid See **Aspirin**

Acidosis

Propofol: contraindicated for sedation of pediatric intensive care patients (Wooltorton) (Pra) 507

Acquired immunodeficiency syndrome

AIDS: focus on Africa (N) 529
AIDS activist mum after release from Chinese prison (Sibbald) (N) 1044
AIDS, Africa and indifference: a confession (Wohlgemut) (Comm) 485
AIDS and aid (Ed) 441
AIDS in a war zone (Tu) (L) 457
Bringing a global vision to medical school (Kent) (N) 684
Discharges against medical advice: time to address the causes (Saitz) (Comm) 647
The G8 fails global health (Orbinski) (Comm) 481
In South Africa, only the funeral industry is booming (McClelland) (N) 526
In Ukraine, HIV takes hold with a vengeance (N) 534
Leaving hospital against medical advice among HIV-positive patients (Anis and others) (Res) 633
Le sida et l'aide extérieure (Éd) 443
Southern Africa's famine far worse than anticipated (Maskalyk) (N) 1277
The XIV International AIDS Conference: a call for action ... now (Berger) (Comm) 483

Activities of daily living

Return to Afghanistan (Mayhew) (HR) 1371
The value of clock drawing in identifying executive cognitive dysfunction in people with a normal Mini-Mental State Examination score (Juby and others) (Res) 859

Actos See **Thiazoles**

ADHD See **Attention deficit disorder with hyperactivity**

Adolescence

2002 clinical practice guidelines for the diagnosis and management of osteoporosis in Canada (Brown and others) (R) Supplement to issue 10
Adolescent stimulant use (Safer and Zito) (L) 15
[reply] (Poulin) (L) 15
Avoiding the back-to-school backache (Weir) (Pra) 669
Court battle looms over Saskatchewan's new cigarette laws (Ehman) (N) 389
Effects of marijuana on young adults (Shrier) (L) 233
(Mamen) (L) 233
(Yong) (L) 233
[reply] (Fried and others) (L) 234
Income and spending patterns among panhandlers (Bose and Hwang) (Res) 477
A rule of thumb (Wilton) (HR) 1367
Tackling tobacco in Saskatchewan (Greaves) (L) 1232
Taking risks with injury prevention (Pless) (Comm) 767
"This is no 'home for unwed girls'" (Moulton) (N) 1162
UK restrictions aimed at alcohol ads for teens (Spooner) (N) 1157

Adrenal cortex hormones

Grapefruit juice: potential drug interactions (Maskalyk) (Pra) 279
Should combination therapy with inhaled corticosteroids and long-acting β_2 -agonists be prescribed as initial maintenance treatment for asthma? (Lemière and others) (Comm) 1008

Adrenergic beta-antagonists

The effects of cost-sharing on essential drug prescriptions, utilization of medical care and outcomes after acute myocardial infarction in elderly patients (Pilote and others) (Res) 246

New insights into the mechanisms and management of atrial fibrillation (Khaury and Nattel) (Rev) 1012

Adult

- The 2002 Canadian bone densitometry recommendations: take-home messages (Khan and others) (Pra) 1141
- 2002 clinical practice guidelines for the diagnosis and management of osteoporosis in Canada (Brown and others) (R) Supplement to issue 10
- Adverse events associated with pyrazinamide and levofloxacin in the treatment of latent multidrug-resistant tuberculosis (Papastavros and others) (Res) 131
- The arrogance of preventive medicine (Sackett) (Comm) 363
- Une conclusion peut en dissimuler une autre (Ed) 331
- Decision rules for bone mineral density testing (Kovacs) (Pra) 509
- Early clinical course and long-term outcome of patients with infective endocarditis complicated by perivalvular abscess (Chan) (Res) 19
- Early surgery or surveillance for small abdominal aortic aneurysms? (Myers) (Pra) 58
- Effects of marijuana on young adults (Mamen) (L) 233
[reply] (Fried and others) (L) 234
- Everyone (but me) should wear a helmet (Martin) (N) 1282
- Fallout from JAMA's HRT study continuing to land in MDs' offices (Sibbald) (N) 387
- Hormone replacement therapy: a time for pause (Yusuf and Anand) (Comm) 357
- Income and spending patterns among panhandlers (Bose and Hwang) (Res) 477
- Infective endocarditis and perivalvular abscess: a dangerous duo (Shafraun) (Comm) 38
- Interpreting the Quebec prostate cancer study (Labrie and Candas) (L) 340
- Low risk of recurrence of oculo-respiratory syndrome following influenza revaccination (Skowronski and others) (Res) 853
- Mammography screening among women aged 40-49 years shows no benefit (Hoey) (Pra) 898
- Medical genetics: 3. An approach to the adult with a genetic disorder (Gilchrist) (Rev) 1021
- One conclusion may hide another (Ed) 329
- Oral contraceptives and the risk of breast cancer (Farquhar) (Pra) 782
- Postmenopausal hormone replacement therapy for chronic disease prevention: results from the Women's Health Initiative trial (Farquhar) (Pra) 377
- Predictors of survival following in-hospital adult cardiopulmonary resuscitation (Brindley and others) (Res) 343
- Prevalence of infection with carcinogenic human papillomavirus among older women (Sellors and others) (Res) 871
- PSA screening: correlating noise with noise? (McGregor) (L) 340
[reply] (Perron and others) (L) 340
- Puzzling vitamin D results (Marshall) (L) 849
[reply] (Hanley) (L) 849
- Reserving judgement on HRT (Lacroix) (L) 1104
[reply] (Yusuf and Anand) (L) 1105
- Adverse drug reaction reporting systems**
- Brief safety updates: acetaminophen, ASA and kava (Wooltorton) (Pra) 1034
- Bulletin canadien des effets indésirables (R) Supplement to issues 1 and 7
- Canadian Adverse Reaction Newsletter (R) Supplement to issues 1 and 7
- Cisapride fallout? Canada to gain access to largest adverse-event database (Sibbald) (N) 790
- COX-2 inhibitors in the treatment of cardiovascular disease (Peterson) (L) 738
(Raynauld) (L) 739
[reply] (Sztuke-Fournier and McMorran) (L) 739

- Drug safety without borders: concerns about bupropion (Mintzes and others) (L) 447 [correction 746]
- Mefloquine: contraindicated in patients with mood, psychotic or seizure disorders (Wooltorton) (Pra) 1147
- New UK rules for potassium chloride (N) 1153
- Risperidone (Risperdal): increased rate of cerebrovascular events in dementia trials (Wooltorton) (Pra) 1269

Adverse events See Medical errors

Advertising

- La commercialisation des médicaments : dangereuse à toute dose? (Ed) 983
- Consumer drug advertising leads to MD backlash in Holland (Cassels) (N) 793
- Court battle looms over Saskatchewan's new cigarette laws (Ehman) (N) 389
- Drug marketing: Unsafe at any dose? (Ed) 981
- DTC ads in US having huge impact on drug sales (Korcok) (N) 289
- MD Web sites need disclaimer (N) 385
- No direct-to-consumer drug ads: CMA (Sullivan) (N) 1153
- Oh rats! (N) 908
- Poster girl (N) 1043
- Should combination therapy with inhaled corticosteroids and long-acting β_2 -agonists be prescribed as initial maintenance treatment for asthma? (Lemière and others) (Comm) 1008
- Tackling tobacco in Saskatchewan (Greaves) (L) 1232
- UK restrictions aimed at alcohol ads for teens (Spoonier) (N) 1157

Afghanistan

- Leishmaniasis epidemic hits Afghanistan (N) 536
- La reconstruction de l'Afghanistan (Ridde) (C) 126
- Return to Afghanistan (Mayhew) (HR) 1371
- Revisiting 9/11 (Alton) (L) 128

Africa

- Africa-bound AIDS drugs resold illegally (Spoonier) (N) 1281
- AIDS and aid (Ed) 441
- AIDS: focus on Africa (N) 529
- AIDS, Africa and indifference: a confession (Wohlgemut) (Comm) 485
- Cheap vaccine needed for Africa's meningitis epidemic (Maskalyk) (N) 1157
- The G8 fails global health (Orbinski) (Comm) 481
- Le sida et l'aide extérieure (Ed) 443
- Southern Africa's famine far worse than anticipated (Maskalyk) (N) 1277

Age factors

- The 2002 Canadian bone densitometry recommendations: take-home messages (Khan and others) (Pra) 1141
- 2002 clinical practice guidelines for the diagnosis and management of osteoporosis in Canada (Brown and others) (R) Supplement to issue 10
- Adolescent stimulant use (Safer and Zito) (L) 15
[reply] (Poulin) (L) 15
- Audiovisual hyperactivity disorder (AVHD): a peril of the desire to Excel (Macnab and others) (HR) 1331
- Automobile restraints for children: a review for clinicians (Howard) (Rev) 769
- Delays in cancer diagnosis loom, lab medicine specialists warn (Sullivan) (N) 683
- Do reindeer and children know something that we don't? Pediatric inpatients' belief in Santa Claus (Cyr) (HR) 1325
- Early clinical course and long-term outcome of patients with infective endocarditis complicated by perivalvular abscess (Chan) (Res) 19
- Heat wave: first, protect the vulnerable (Weir) (Pra) 169
- Mammography screening among women aged 40-49 years shows no benefit (Hoey) (Pra) 898
- More hours, more tired, more to do: results from the CMA's 2002 Physician Resource Questionnaire (Martin) (N) 521
- Predictors of survival following in-hospital adult cardiopulmonary resuscitation (Brindley and others) (Res) 343

Prevalence of infection with carcinogenic human papillomavirus among older women (Sellors and others) (Res) 871

Propofol: contraindicated for sedation of pediatric intensive care patients (Wooltorton) (Pra) 507

Aged

2002 clinical practice guidelines for the diagnosis and management of osteoporosis in Canada (Brown and others) (R) Supplement to issue 10

Alzheimer's disease and herpes (Itzhaki and Dobson) (L) 13
Changing the view (Burdick) (LA) 62

Community-based exercise program reduces risk factors for falls in 65- to 75-year-old women with osteoporosis: randomized controlled trial (Carter and others) (Res) 997

The effects of cost-sharing on essential drug prescriptions, utilization of medical care and outcomes after acute myocardial infarction in elderly patients (Pilote and others) (Res) 246
Forget US politicians' promises — Canada still cheap-drug mecca (Korcok) (N) 1044

Health-related quality of life and mobility of patients awaiting elective total hip arthroplasty: a prospective study (Mahon and others) (Res) 1115

Hip-fracture and stroke care: parallel problems in evidence (Hill) (L) 845.2
[reply] (Naglie and others) (L) 846

Hormone replacement therapy: a time for pause (Yusuf and Anand) (Comm) 357

Images of a pulmonary embolus: classic and contemporary (Kirkpatrick and Meyers) (Pra) 511

Initial patterns of use of COX-2 inhibitors by elderly patients in Ontario: findings and implications (Mamdani and others) (Res) 1125

Interdisciplinary inpatient care for elderly people with hip fracture: a randomized controlled trial (Naglie and others) (Res) 25

Montreal physicians protest poverty (Gagnon) (N) 67

Out of the furrow and into the fire: Where do we go with delirium? (Rockwood) (Comm) 763

Preventing fractures by preventing falls in older women (Campbell) (Comm) 1005

Puzzling vitamin D results (Marshall) (L) 849
[reply] (Hanley) (L) 849

Systematic detection and multidisciplinary care of delirium in older medical inpatients: a randomized trial (Cole and others) (Res) 753

Telephone stroke (Parmar) (L) 1104

The value of clock drawing in identifying executive cognitive dysfunction in people with a normal Mini-Mental State Examination score (Juby and others) (Res) 859

Aged, 80 and over

Interdisciplinary inpatient care for elderly people with hip fracture: a randomized controlled trial (Naglie and others) (Res) 25

Strange miracles (Pottie) (HR) 1363

The value of clock drawing in identifying executive cognitive dysfunction in people with a normal Mini-Mental State Examination score (Juby and others) (Res) 859

A woman with a mummified leg (Gallagher) (Pra) 380

Aging

Deep skin (Samson) (LA) 517

Air pollution

Diesel exhaust, school buses and children's health (Weir) (Pra) 505

Kyoto ratification appears unstoppable despite holdouts (Sibbald) (N) 180

Alberta

Calgary

Firing public health MD over pro-Kyoto comments a no-no, Alberta learns (Mackay) (N) 1156

Edmonton

Predictors of survival following in-hospital adult cardiopulmonary resuscitation (Brindley and others) (Res) 343

The value of clock drawing in identifying executive cognitive dysfunction in people with a normal Mini-Mental State Examination score (Juby and others) (Res) 859

Albuminuria

Microalbuminuria in diabetes mellitus (Tobe and others) (Pra) 499

Albuterol

Should combination therapy with inhaled corticosteroids and long-acting β_2 -agonists be prescribed as initial maintenance treatment for asthma? (Lemière and others) (Comm) 1008

Alcohol drinking

Alcohol consumption in Japan: different culture, different rules (Milne) (N) 388

Blood-alcohol limit: the CMA is right on (Wigmore) (L) 740

Medical genetics: 1. Clinical teratology in the age of genomics (Polifka and Friedman) (Rev) 265

No shortage of teaching opportunities in Johannesburg trauma unit (McClelland) (N) 1160

UK restrictions aimed at alcohol ads for teens (Spoonster) (N) 1157

Alendronate

2002 clinical practice guidelines for the diagnosis and management of osteoporosis in Canada (Brown and others) (R) Supplement to issue 10

Alternative medicine

Bulletin canadien des effets indésirables (R) Supplement to issue 7

Canadian Adverse Reaction Newsletter (R) Supplement to issue 7

Cancer and credibility (book review of *Negotiating disease: power and cancer care, 1900-1950*) (Cantor) (LA) 785

No public funding for alternative care: survey (Rich) (N) 70

Altruism

AIDS, Africa and indifference: a confession (Wohlgemut) (Comm) 485

AIDS and aid (Ed) 441

AIDS, refugees, hunger and despair: Here's how MDs can help (Sibbald) (N) 528

Le sida et l'aide extérieure (Éd) 443

Alzheimer disease

Alzheimer's disease and herpes (Itzhaki and Dobson) (L) 13

The value of clock drawing in identifying executive cognitive dysfunction in people with a normal Mini-Mental State Examination score (Juby and others) (Res) 859

Ambulatory care facilities

Canadian "medicare refugee myth" debunked in major US study (Gray) (N) 524

NB, Morgentaler head to court over abortion payments (Thorne) (N) 1277

American Medical Association

As membership plummets, American Medical Association seeks answers (Korcok) (N) 386

Amlodipine

Drug interactions with grapefruit (Spence) (L) 848

Amphetamine

Adolescent stimulant use

(Safer and Zito) (L) 15

[reply] (Poulin) (L) 15

Amputation

A woman with a mummified leg (Gallagher) (Pra) 380

Analgesics, non-narcotic

Clinical practice guidelines: breast cancer pain [reply] (Levine) (L) 15

Anastomosis, surgical

Anastomotic quality in CABG: when life depends on millimetres (Bardell and others) (Pra) 783

Anatomy

New medical school offers cadaver-free anatomy lessons (Kerr) (N) 1279

Androstadienes

Should combination therapy with inhaled corticosteroids and long-acting β_2 -agonists be prescribed as initial maintenance treatment for asthma? (Lemière and others) (Comm) 1008

Anecdotes

- Alone (Porter) (LA) 174
